

NEW PRODUCT RELEASE

Plus 200 Halogen Performance Globes

PLUS 200

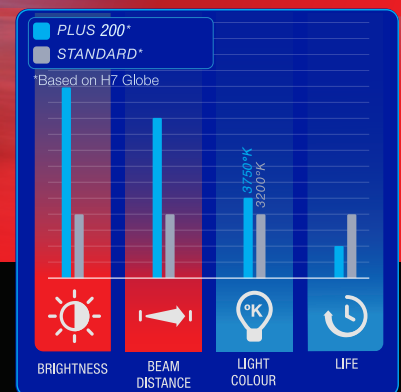

**200% MORE LIGHT,
80 METRE LONGER BEAM**

In an ever increasing market for LED Globes, performance halogen globes continue to be the best legal upgrade option for putting more light on the road.

The new release Plus 200 globes are the most powerful in the Narva lineup offering up to 200% more light on the road. They are ADR approved and ideal for a wide variety of applications.

FEATURES

- Up to 200% more light on the road*
- Up to 80 metres longer beam
- 20% whiter light*
- ADR approved and street legal
- Suitable for polycarbonate headlamps
- No increase in power consumption or heat
